

Declaration of Validity

Collectors ALTER 2004, ALTER 2504
Sammler Solar in GR-19300 Athens

According to the European Solar Keymark Scheme Rules, the test report C1281QPEN issued for the collector Sammler ALTER 2504 is valid for all the solar thermal collectors registered under the same license number 011-7S1538 F.

The test report **C1281QPEN** is therefore also valid for the collector model **Sammler ALTER 2004** without any reservation.
